

Chint-Schneider Price List

Regarding various industrial control products, here are the services we can provide :

1. A quotation signifies that we are able to supply the goods; shipments are typically dispatched within 3 to 7 days.
2. The quotation is based on EXW terms, plus the cost of freight to any warehouse of your choice within China (excluding the Xinjiang region).
3. We can provide cross-brand and cross-category quotations, and we are capable of fulfilling complex, comprehensive orders involving mixed product lists.
4. We offer replacement services for various models, including cross-referencing between new and old models, as well as facilitating the upgrade from older models to their modern equivalents.
5. If brand-new products are unavailable, We can supply "95%-new" condition products, with quality fully guaranteed.
6. We offer a variety of delivery options, including sea freight, air freight, and door-to-door express courier services.
7. We provide solutions for handling various complex orders and requirements.
8. We can customize various types of control cabinets based on provided technical drawings.
